

BLESSED TO BE A BLESSING

“...I will bless you...so that you will be a blessing.”

GENESIS 12:2

As we gather to worship, grow, and serve, we strive to be **difference makers** through **sharing** our **time, talents, and treasures—blessings** we have **received from God** that enable us to be a **blessing to others** through Daily Bread, Discipleship, **and ...**

TECHNOLOGY

Holy Trinity, faced with some decisions due to the pandemic in 2020, adapted its outreach using technology. The church now livestreams services, offers online Bible studies, and maintains an active digital presence. While this has required significant investment in equipment and personnel, it has allowed the church to reach a wider audience and maintain community connection.

Adopting technology has been costly. Holy Trinity has invested in upgrading its website, hybrid meetings, audio/visual equipment, and hired staff to support online worship and outreach.

Holy Trinity will continue our visionary planning process to determine how our community can make Christ known to all generations that need to hear the life-giving word of God going forward in 2025.

WE HAVE BEEN BLESSED with **talents, abilities,** and **resources** to make a difference.
